## ABOUT ME

I am a passionate Frontend Developer with expertise in HTML, CSS, TypeScript, Next.js, and Sanity Headless CMS. I specialize in building responsive and dynamic web applications, ensuring high performance and seamless user experiences. Always eager to learn and implement the latest web technologies to create modern and efficient solutions.

## OBJECTIVE

To secure a role as a Frontend Developer, where I can apply my skills in HTML, CSS, TypeScript, Next.js, and Sanity Headless CMS to build modern, responsive, and interactive web applications. I aim to contribute to innovative projects, enhance user experiences, and continuously grow by exploring new web technologies.

## EDUCATION
